Why working at RDT Hospital, Bathalapalli?

- **Job satisfaction.** A chance to serve people in rural India in a well-equipped non-profit hospital. The hospital's users belong to poor and disadvantaged rural communities.
- **Professional growth.** Exposure to a mix of high-risk patients under different categories adds to your professional knowledge.
- All freshers (consultants and residents) will have the opportunity to have good hands-on experience with **guidance from seniors, as well as high-caliber specialists from overseas.**
- **State of the art** PICU, NICU, ICU, ITU and modular operation theatres.
- We encourage **upgradation of knowledge and skills**, including research activities. Once yearly, RDT will sponsor your participation in a national conference or a fifteen-day workshop.
- RDT Hospital, Bathalapalli, is located on National Highway **connected to major cities** like Bangalore (2.5 hour drive to the airport), Hyderabad or Chennai.
- Doctors and their families are provided **residential quarters** (furnished) in an eco-friendly and secure campus along with free water and electricity.
- You will live in a **sprawling 130-acre campus**, with auditorium, indoor sports and gym complex that helps you maintain a healthy work-life balance.
- Assured **competitive compensation and health benefits** to help you secure your future, and safeguard your and your family's healthcare needs.

“The best way to find yourself is to lose yourself in the service of others.”

Mahatma Gandhi
